FAQS

Can you take walk-ins for large groups?

Not recommended. We get busy and want to book you in for games that align with your plans.

Is room capacity flexible?

Room capacity is 2-8 Players. Some games we can stretch to 9 or 10. You'll need to discuss with a manager.

What should we wear and bring?

Please wear closed in shoes. You won't need to bring anything, just yourselves!

Do we need to pay a deposit?

Yes. The deposit amount is generally \$60 per game, but varies between venues & packages. It is required when booking and is deducted from the booking balance.

When should we arrive?

We do ask Participants to arrive 15 mins prior to the booking time. If your team is large please aim for 20-30 minutes early. We need to be as punctual as possible to ensure your team does not risk losing any game time!

Can we start late?

We try and work with you but also run to strict schedule to avoid impacting other customers and staff rosters. Please allow travel & parking time.

Do you provide Food & Drinks?

We do not provide food and drink packages, but all venues are close to dining options. Penrith has function spaces where you can BYO food and drinks.

What should I organise prior to our event?

Please have your players split into teams and assigned to a game ahead of arrival. This will make the sign in process smooth and fast!
